André Marcelo Ferreira Teixeira

Residence: Rua Ruben A nº 137 8ºDrt, Porto
Mobile: +(351) 912405749
E-mail: marcelo.t80@gmail.com
Nationality: Portuguese
Gender: Male
Driving license: B/B1

Objective

Currently am Advanced Developer (Frontend / Backend) in Rocket Internet in Portugal. I am part of a team of development systems directed to the construction of Online Fashion Stores (www.emeza.de ,www.emeza.ch ,www.kiomi.com).
I intend to further deepen my knowledge giving my contribution to all the challenges posed.
I find it easy to integrate me in the business environment and management capacity / organization projects.

About me

I am creative, responsible and humble. Formulate objectives and discuss my views with people around me. I have a great sense of organization and enjoy traveling to new experience a personal and professional level.

Practical sport with some regularity.
